~~Through the Power of the Holy Spirit, we are able to overcome all our sins and to live in the love of God. This is the message of the Gospel, which is the good news for all people. We are called to live in the love of God and to love our neighbors as ourselves. This is the commandment that we have received from the Father: that we love one another, that we may remain in the love of the Father and in the love of the Son, that we may have eternal life with them. (1 John 4:19-21)~~
