

[24/10/2015]

In 24th October 2015, a mini-ceremony occurred to honor students and R&D project groups with the highest result from cycle 5, in a warmly and cozy atmosphere at ITEC. Contributing to the ceremony, there were appearances of the Vice President of ITEC, representative of the Student Affair and Auckland University of Technology, New Zealand, Professor Parma Nand, along with awarded students.

First- ranked graduated student of Cycle 5: Bui Hong Duc proudly received special award from the representative of AUT and a certificate of merit.
